

File No.5 (9) 2017/ CLA/DO Mumbai/RCD/FSSAI
Food Safety and Standards Authority of India
(Regulatory Compliance Division)
FDA Bhawan, Kotla Road, New Delhi – 110002

Dated: 2nd January, 2018

To

The Commissioner of Food Safety/Officer-In-Charge for Food Safety
All States/UTs

Sub : Revised guidelines on requirement of 'No Objection Certificate (NOC)' from Central Ground Water Authority (CGWA) for grant/renewal/product modification of FSSAI Licence -reg.

Sir/Madam,

In supersession of this office letter of even number dated 28-09-2017, the matter relating to requirement of NOC from CGWA for obtaining FSSAI License has been further reviewed in the Authority and the following has been decided for compliance:

- (i) FSSAI will consider applications seeking issue of new licences, renewal of existing licences and product modifications without insisting on NOC from CGWA in case of applicant industries (extracting ground water) located in Safe, Semi-Critical, Critical areas.
 - (ii) In case of applicant industries (extracting ground water) located in 872 over-exploited areas (other than 162 notified so far) seeking FSSAI Licence (renewal and product modification), FSSAI will consider those applications subject to acceptance of their applications for NOC by CGWA and meeting other eligibility criteria.
 - (iii) In so far as grant of FSSAI license to new industries (extracting ground water) located in the 1034 overexploited (162 notified+ 872 shortly to be notified as overexploited) areas is concerned, no such requests shall be considered by FSSAI without NOC from CGWA. In case of existing industries seeking renewal/product modifications in these areas, FSSAI shall consider applications of those industries which are purely seeking renewal or product modification within their existing capacity.
 - (iv) In 13 States / UTs (as per list attached), wherever States/UTs have their own legislations on groundwater and management is being done through State Ground Water Authority or government orders, CGWA does not issue NOC for groundwater withdrawal applications shall be made to the respective State/UT Governments by the FBOs in these States/UTs. NOC of the States/UTs shall be final in that case.
2. This issues with the approval of the Competent Authority.

Yours faithfully,

(Garima Singh)

Director (RCD)
